Safety Policy on Responding to Disruptive Behavior

The Sugar Land Church of Christ congregation is proactive regarding the safety and well-being of its members and guest. This living document is in place to continuously evaluate the safety needs of our congregation.

Our focus on the whole congregation, must be given priority over the privileges and inclusion of the individual. To the degree the disruptive behavior compromises the health of the congregation, our actions as people of faith must reflect this emphasis on security. While openness is one of the prime values held by our congregation and expressed in our vision, we affirm the belief that our congregation must maintain a secure atmosphere where such openness can exist. When any person's physical and/or emotional well-being or freedom to safely worship is threatened, the source of this threat is best addressed firmly and promptly, even if this ultimately requires the expulsion of the offending person or persons. Therefore, if an immediate response is required, this will be undertaken by the Elder (s), Minister, or Deacon (s) and/or the leader of the group involved. This may include asking the offending person or persons to leave, or suspend the meeting or activity until such time that it may be safely resumed. If further assistance is required the Police Department may be called. Anytime any of these actions are undertaken without the Elder (s), Minister, or Deacon - Security, they must be immediately notified.

Brothers and Sisters,

1. We are trusting God and his wisdom at Sugar Land Congregation to the very end of this pandemic.
2. We are praying for good health for each member of our congregation.
3. We must protect ourselves and children from the tremendous impact of the Omicron variant. Unfortunately, 99.5% of deaths are from unvaccinated patients.
4. We are adhering to the prior CDC precautions of wearing mask inside our building, social distancing, and washing our hands.

Stay safe!

SEEK GOD!

As human beings, our faith is sometimes tested. Our human frailty is more recognizable to us when we suffer trials or undergo challenges. In these moments, we must seek God. Our limited human strength alone may not be enough to overcome some of our tribulations. Further, when we perceive our challenges from our human perspective, we miss out on what God is accomplishing. However, when we have faith and depend on God, we are able to observe God's work, even in the midst of our stormy seasons of life. Don't be afraid. Open your eyes and see through the lens of faith. You'll be surprised what God will show you!

Now the king of Syria was making war against Israel; and he consulted with his servants, saying, "My camp will be in such and such a place." And the man of God sent to the king of Israel, saying, "Beware that you do not pass this place, for the Syrians are coming down there." Then the king of Israel sent someone to the place of which the man of God had told him. Thus he warned him, and he was watchful there, not just once or twice. Therefore the heart of the king of Syria was greatly troubled by this thing; and he called his servants and said to them, "Will you not show me which of us is for the king of Israel?" And one of his servants said, "None, my lord, O king; but Elisha, the prophet who is in Israel, tells the king of Israel the words that you speak in your bedroom." So he said, "Go and see where he is, that I may send and get him." And it was told him, saying, "Surely he is in Dothan." Therefore he sent horses and chariots and a great army there, and they came by night and surrounded the city. And when the servant of the man of God arose early and went out, there was an army, surrounding the city with horses and chariots. And his servant said to him, "Alas, my master! What shall we do?" So he answered, "Do not fear, for those who are with us are more than those who are with them." And Elisha prayed, and said, "Lord, I pray, open his eyes that he may see." Then the Lord opened the eyes of the young man, and he saw. And behold, the mountain was full of horses and chariots of fire all around Elisha. (2 Kings 6:8-17)
