

Safety Policy on Responding to Disruptive Behavior

The Sugar Land Church of Christ congregation is proactive regarding the safety and well-being of its members and guest. This living document is in place to continuously evaluate the safety needs of our congregation.

Our focus on the whole congregation, must be given priority over the privileges and inclusion of the individual. To the degree the disruptive behavior compromises the health of the congregation, our actions as people of faith must reflect this emphasis on security. While openness is one of the prime values held by our congregation and expressed in our vision, we affirm the belief that our congregation must maintain a secure atmosphere where such openness can exist. When any person's physical and/or emotional well-being or freedom to safely worship is threatened, the source of this threat is best addressed firmly and promptly, even if this ultimately requires the expulsion of the offending person or persons. Therefore, if an immediate response is required, this will be undertaken by the Elder (s), Minister, or Deacon (s) and/or the leader of the group involved. This may include asking the offending person or persons to leave, or suspend the meeting or activity until such time that it may be safely resumed. If further assistance is required the Police Department may be called. Anytime any of these actions are undertaken without the Elder (s), Minister, or Deacon - Security, they must be immediately notified.

Brothers and Sisters,

1. We are trusting God and his wisdom at Sugar Land Congregation to the very end of this pandemic.
2. We are praying for good health for each member of our congregation.
3. We must protect ourselves and children from the tremendous impact of the Omicron variant. Unfortunately. 99.5% of deaths are from unvaccinated patients. **Please Get Vaccinated.**
4. We are adhering to the prior CDC precautions of wearing mask inside our building, social distancing, and washing our hands.

Stay safe!

Lessons from the Life of Miriam

LESSON 3: NUMBERS 12:1-16

When asking someone how they are doing, a common reply is "I can't complain. It wouldn't do any good anyways." There is some truth to this sentiment. In fact, complaining is not only futile, it is often counterproductive. In life, there are multiple opportunities to complain. However, a more positive approach would be to offer constructive feedback when necessary and become part of the solution. Otherwise, we are part of the problem.

Then Miriam and Aaron spoke against Moses because of the Ethiopian woman whom he had married; for he had married an Ethiopian woman. So they said, "Has the Lord indeed spoken only through Moses? Has He not spoken through us also?" And the Lord heard it. (Now the man Moses was very humble, more than all men who were on the face of the earth.)

So the anger of the Lord was aroused against them, and He departed. And when the cloud departed from above the tabernacle, suddenly Miriam became leprous, as white as snow. Then Aaron turned toward Miriam, and there she was, a leper. So Aaron said to Moses, "Oh, my lord! Please do not lay this sin on us, in which we have done foolishly and in which we have sinned. Please do not let her be as one dead, whose flesh is half consumed when he comes out of his mother's womb!" (Numbers 12:1-3; 9-12)
