Safety Policy on Responding to Disruptive Behavior

The Sugar Land Church of Christ congregation is proactive regarding the safety and well-being of its members and guest. This living document is in place to continuously evaluate the safety needs of our congregation.

Our focus on the whole congregation, must be given priority over the privileges and inclusion of the individual. To the degree the disruptive behavior compromises the health of the congregation, our actions as people of faith must reflect this emphasis on security. While openness is one of the prime values held by our congregation and expressed in our vision, we affirm the belief that our congregation must maintain a secure atmosphere where such openness can exist. When any person's physical and/or emotional well-being or freedom to safely worship is threatened, the source of this threat is best addressed firmly and promptly, even if this ultimately requires the expulsion of the offending person or persons. Therefore, if an immediate response is required, this will be undertaken by the Elder (s), Minister, or Deacon (s) and/or the leader of the group involved. This may include asking the offending person or persons to leave, or suspend the meeting or activity until such time that it may be safely resumed. If further assistance is required the Police Department may be called. Anytime any of these actions are undertaken without the Elder (s), Minister, or Deacon - Security, they must be immediately notified.

Brothers and Sisters,

1. We are trusting God and his wisdom at Sugar Land Congregation to the very end of this pandemic.
2. We are praying for good health for each member of our congregation.
3. We must protect ourselves and children from the tremendous impact of the Omicron variant. Unfortunately, 99.5% of deaths are from unvaccinated patients.
4. We are adhering to the prior CDC precautions of wearing mask inside our building, social distancing, and washing our hands.

Stay safe!

EXTEND GRACE, MERCY AND LOVE TO EVERYONE!!!

As people of God, we must be willing to give what we receive. From God, we receive grace, mercy, and love. Therefore, we must in turn express grace, mercy, and love to others. Further, in expressing these attributes, we must go beyond limits. We must not show these attributes of God to only those whom we see fit. Rather, we must extend these attributes even to people who give us the exact opposite. This is difficult to do if we do not first have gratitude regarding what God has given us. May we learn to experience God and be thankful and grateful for all He does, have done, and will do!

“But if you love those who love you, what credit is that to you? For even sinners love those who love them. And if you do good to those who do good to you, what credit is that to you? For even sinners do the same. And if you lend to those from whom you hope to receive back, what credit is that to you? For even sinners lend to sinners to receive as much back. But love your enemies, do good, and lend, hoping for nothing in return; and your reward will be great, and you will be sons of the Most High. For He is kind to the unthankful and evil. Therefore be merciful, just as your Father also is merciful. (Luke 6:32-36)
